A MESSAGE FROM THE C.E.O.

Dear Friends,

Our world post covid-19 pandemic is happily still very much alive and kicking.

Many of us are wondering what is ahead.
60 or so million years of man on our planet (if you prescribe to the theory), one can but hope a year of chaos and turmoil amongst our population in that regard is but a hiccup.

Economically there will be changes and challenges for most of us, the sooner we can claim back our stalled opportunities our economies will definitely heal and we sincerely hope your precious business is going to survive and thrive and be stronger for it.

We want to put a positive spin on the future , for all of us.
Our interest is beauty of form and timeless design in the medium of Ceramics and garden decor.
Man's need for decor pottery , the interest in garden environments and the practicality of pottery as a decorating feature, with planters jars and water features to set and create a mood.

We are having a wonderful recovery, we have retained all our staff, its almost business as usual and the future bodes well.

Our team is eager to please you, they await your queries and orders and have the answers, this catalogue is never complete , there are new and fresh product always in the wings , we also have very attractive pricing on overstocked warehouse lines, please take advantage of these and enquire directly.

All the very ,very best to you all

Rick Crandall

TERMS AND CONDITIONS.

OUR QUALITY.

One single export decor grade unless sold as garden grade or lucky dip second quality.
All ceramic product is hand pressed and glazed and fired in wood kilns, variations in glaze quality are normal and enhance the unique nature of the product.

PACKING.

Pallets are charged separately at 17.26 USD per pallet.Rubber off cuts and ties are included. When cardboard only is specified there is a charge of 169.40 USD (20FT) & 338.80 USD (40FT).

SHIPPING.

We sell FOB. (Free On Board a ship of your choice) It is therefore the customers responsibility to appoint a shipping agent in your country who will contact our Shipping manager, Mr Jimmy may be contacted by email: < sales@4seas.com>
Phone 84-2743-859184, fax 84-2743-859174 or MOQbile 84-0903614665.

RESPONSIBILITY.

We remain responsible for customer satisfaction at all times until FOB.
Damage and breakage in transit are beyond our control after this time. Insurance should be arranged in the consignee country. Under normal freight conditions there is negligible breakage.

PAPERWORK AND PAYMENT:

Invoicing and shipping documents are arranged through our Vietnam Representative Office: 4 Seas Ceramics Ltd.
1. A deposit is required with your confirmed order.
2. A pre –shipment Pro forma is then sent for your reconfirmation before shipment takes place.
3. A 'Contents as Packed' Invoice is emailed immediately after shipment. Full payment of the balance is now due.
Shipping documents required to release the container at destination are couriered promptly after sighting of payment .
All invoices quote FOB prices and are in USD currency. Documentation fees are included in FOB price.

PLEASE NOTE:

We do not use the L/C method for payment.
This method is difficult for us as the conditions of an L/C rely on correct and matching information before the debt is settled..
The exact contents of our ceramic container shipments including the exact cost cannot always be ascertained at time of ordering.

ATLANTIS PANDORA . AP

Latest addition to the Atlantis stable is a beautiful decor textured glaze inspired by the greek goddess Pandora and a blue planet. This glaze is similar in structure to Abalone both being a departure from the crustacea type finish of original Atlantis offering. These are both mature double fired complex glazes suitable for any situation or climate.

In this Catalogue we proudly present two new astonishing glazes we hope you will add to your inventory. Both glazes will grace a hotel, home or commercial application, both have the timeless maturity of times past with an elegance that demands attention. The small premium on Pandora glaze is to cover the complexity in manufacture but the result is worthwhile.

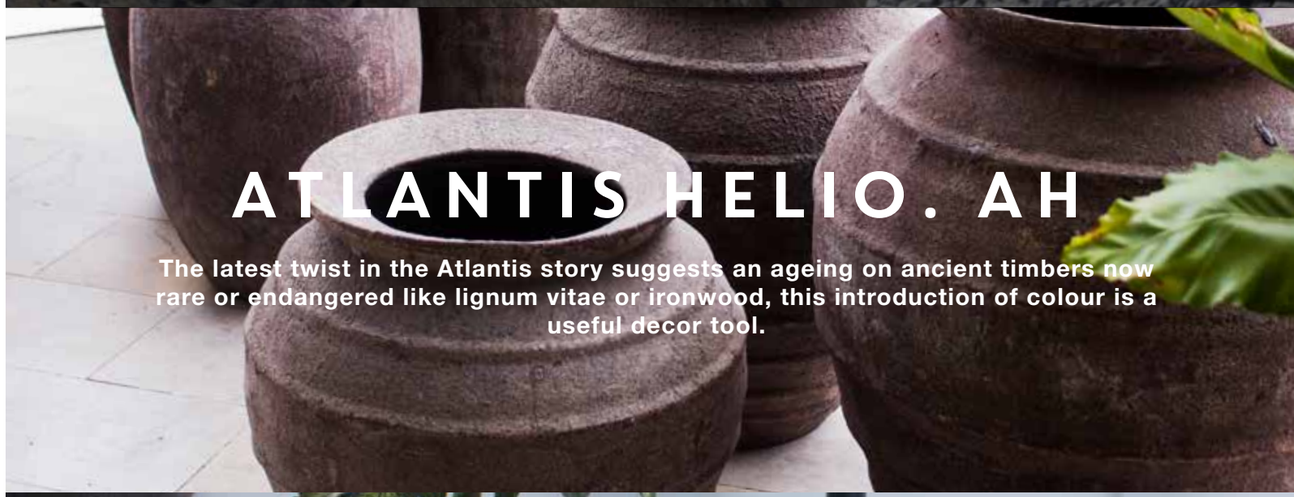
ATLANTIS. AD

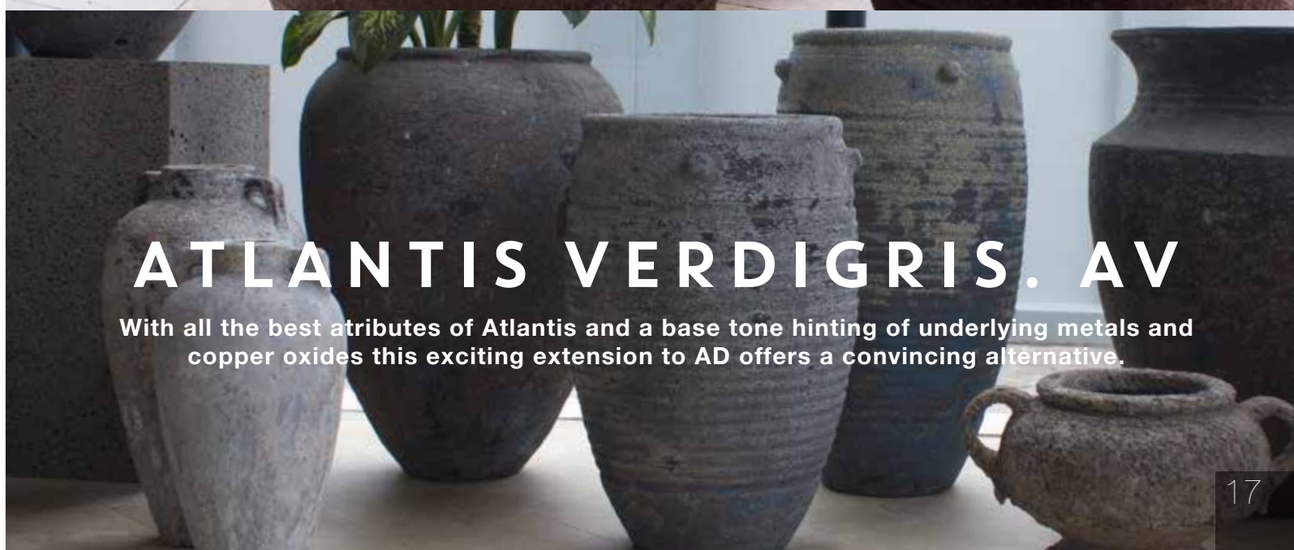
AVAILABLE ONLY FROM 4 SEAS.

We are truly humbled by our own creation modelled on natures ravages to an ancient art form . Its importance in modern decor cannot be ignored and no decor ceramic range would be complete without it. Created as the ultimate expression of a texture finish This ever lasting recreation of the salvage from the lost city is a masterpiece not easily copied by others. Each piece has a character of its own and unlike the the soft terracotta base popular in the ancient originals our artisans use earthenware clay fired to achieve frost resistance.
The unique finish is now earthernware not terracotta high fired unti it is frostproof . It is suitable for both hot and cold climates .



ATLANTIS HELIO. AH

The latest twist in the Atlantis story suggests an ageing on ancient timbers now rare or endangered like lignum vitae or ironwood, this introduction of colour is a useful decor tool.



ATLANTIS VERDIGRIS. AV

With all the best atributes of Atlantis and a base tone hinting of underlying metals and copper oxides this exciting extension to AD offers a convincing alternative.

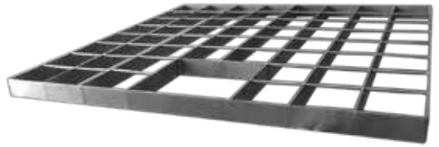
WATER FEATURES

BURBLING BEAUTIES | BB

The simplest , most pratical and elegant water feature we have to offer so far. Consisting of a single burbling pipe fitted to a variety of jars plus a terrazzo base and pedestal or a terrazzo base and stainless steel grate.
These systems hide their mechanics underground leaving a beautiful restful burbling and overflowing jar whose water appears to be disappearing into the ground .(They can be used above ground too)
No actual assembly required –Your customers can have their water feature working in a few minutes.
(*note) Set Option: You can select a base + pedestal or a base + grate

POT
variable

SQ - RD STAINLESS STEEL GRATE
8165 - 8265 (69CM)
8190 - 8290 (94CM)



GRATE

SQ - RD TZ PEDESTAL
7135 - 7235 (35x10CM)
7150 - 7250 (50x10CM)

PEDESTAL

SQ - RD TZ POND BASE
7165 - 7265 (71x18CM)
7190 - 7290 (96x18CM)

BASE

** Notice: Available individually or as a set*
Pump not included due to different countries varying conditions and electrical regulations.

1. pump (minnimum power 60w)
2. thread pipe connection
3. tee
4. 5cm pipe x2
5. bypass valve
6. elastic pipe
7. steel hose clip (buckle hose)
8. PVC glue

*note: pipe diameter 21mm (1/2")

connect the pump (1) to the thread pipe connection (2), use the pipe (4) as a connection for (2) to the tee (3), on the second end of (3) connect to the bypass valve (5) by using (4) as a bridge, at the third end of (3) connect straight to clear plastic pipe (6) and glue it, at the other end of the (6) connect to the steel pipe of the pot using the steel hose clip (7) to secure the connection.

*note: put all of this into the base and use the bypass valve (5) to adjust the level of water coming out of the water feature

RIVERSTONE

Our first offering in this range is 'River Stone', a lovely smooth and timeless finish in a decor colour with an interesting random hue associated with water over stones in a river.

The construction of this new product includes fibreglass for reinforcement and no coloration so it should not rust, fade or crack with age.
